

## **Exposing The Perversion & False Doctrines** *Finding truth hidden by deception*

*All Scripture reference will be using The Scriptures, by the Bible Research Institute, which has restored the Names of the Father and Messiah that they be not hidden as with most bibles are using names and titles hiding the Name of the Father and Messiah The books of the Scriptures referenced will also include the original name and their meanings as translated to English for our understanding.*

I was just browsing YouTube channels and videos when I ran across a video that appeared to show whether the New Covenant was corrupted or not at some sort of university. Normally, I watch the entire video to see if there's any new truths I might find revealed, but in this instance, only 7 mins and 50 seconds into the video that was 2 hours and 11 minutes I stopped and began reading the comments in order to get the gist of what I had already knew was likely going to be discussed in the video.

Reading the comments is where the problem began. I could clearly see the most common mistakes being commented on without clear understanding such as the Sabbath, the study and teaching of the Scriptures and so on. The biggest and most common problem was people using the names of false mighty ones or titles in reference to the Father and Messiah. Here they were, discussing the possible corruption of the New Covenant, and leaving their trust completely in the Old Covenant as being solid without any corruption. This may be true for some, but not all as it seemed, because there were even atheists or agnostics participating in the discussion.

I made a response to that discussion only using scriptures and my knowledge or understanding from my previous studies. That is the foundation of what this you are reading is going to cover, and more. It is a common mistake of most world religions if not all, to allow themselves to follow after the standards set forth by specific church groups, and traditions. Keep in mind that most church groups are separated as such with denominations, or non-denominational groups. This basically means one group only believes this or that, while another group only believes that or this. It is this division that keeps a house divided.

They stand divided, yet all of them call on the same names as of being the Father and Messiah. Yes there are other religions that call on other names and Messiahs such as Muslims, Buddhists, and so on, but this does not cover those religions because there is no historical and Scriptural foundation along with enough archeological findings to back those as such to be considered truth based on my study and research. I am by no means one with complete understanding as there is still yet more to be revealed that no one knows or understands until that time has come.

We are told to study and reprove the Scriptures line by line, precept by precept, and by the Scriptures. This can mean that the Scriptures have to back up what they say with two or more references supporting or confirming each other that can be Old Covenant and New Covenant, or within the same Covenant, based on the specific teaching.

**Yeshayahu (Salvation of Yah) - Isaiah 28:9-13** Whom shall he teach knowledge? and whom shall he make to understand doctrine? them that are weaned from the milk, and drawn from the breasts. For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little: To whom he said, This is the rest wherewith ye may cause the weary to rest; and this is the refreshing: yet they would not hear. But the word of YHWH was unto them precept upon precept, precept upon precept; line upon line, line upon line; here a

little, and there a little; that they might go, and fall backward, and be broken, and snared, and taken.

Yeshayahu pointed out what should be done to gain understanding from the Scriptures by double-checking those teachings with the Scriptures themselves. He then even went as far as to explain why this is necessary.

**Yeshayahu (Salvation of Yah) - Isaiah 28:13-14** Wherefore YHWH said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men: Therefore, behold, I will proceed to do a marvellous work among this people, even a marvellous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid.

Yahushua Himself verified what Yeshayahu wrote of in the book of Mattiyahu, otherwise known as Matthew, calling them hypocrites for their teachings.

**Mattiyahu (Gift of Yah) - Matthew 15:7-9** Ye hypocrites, well did Isaiah prophesy of you, saying, This people draweth nigh unto me with their mouth, and honoureth me with their lips; but their heart is far from me. But in vain they do worship me, teaching for doctrines the commandments of men.

And again in the book of Marqos - Mark, recording the reasons why...

**Marqos (Defense) – Mark 7:5-9** Then the Pharisees and scribes asked him, Why walk not thy disciples according to the tradition of the elders, but eat bread with unwashen hands? He answered and said unto them, Well hath Isaiah prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their heart is far from me. Howbeit in vain do they worship me, teaching for doctrines the commandments of men. For laying aside the commandment of YHWH, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do. And he said unto them, Full well ye reject the commandment of YHWH, that ye may keep your own tradition.

Looking at this, we can see this was taking place long before ha'Mashiach Yahushua even arrived on the scene, so this is nothing new. The ironic thing here is, even after He has come it still persists to deceive the people into false teachings and doctrines. When we are taught by what is considered to be elders, supposedly having the proper understanding of the Scriptures and teaching men so, many are lead down a path that is incorrect. This is the very reason a person should do the study and research for themselves to see if what they are told is truth or not. It is written that if the blind lead the blind, won't they both fall into the ditch?

It was this, the teachings of man as to which they sought to murder the Messiah. He was teaching against their set of rules to which was considered to be even greater than the Scriptures themselves by those that enforced such rules. These rules were known as the Talmud, the religious rules of the Hebrew, as set forth by the Sanhedrin. These rules also made it a crime punishable by death if anyone spoke the Name of the Father who was not a Jew in the High Sabbaths, and only in the Temple. This is the very reason the Names were changed within Scripture so that no one could speak the Name of the Father, especially if they did not know it. The more one is to look at the Talmud, the more one might find that the Talmud is a complete blasphemy of the Scriptures and denial of Yahushua being the Messiah.

Now, taking the previous into consideration, let's look at what came to be known as the canonized Scriptures, and what was left out, and the possible reasons why. The council of Nicaea which took place in 325 AD and decided what was to be considered as the bible with what was to be left in and left out. The most crucial of which is the book of Hanok, otherwise known as Enoch. This is referenced at least twice within the scriptures directly by name, and quoted so many times I lost count. Keep in mind this is the same person who walked with YHWH, and he was loved so much that Yah took him, not letting him see death. This is also where it is most likely the names were replaced in order to hide the names of the Father and Messiah. Let's also keep in mind that the letter J did not even exist for but the last 500 years, making that name used for the Messiah impossible to be the correct name. Do your research on that name, and you might be surprised what false mighty one that name refers to. The same is true for the title known as L-rd, which refers master in some manners but when you research that, you will also find it refers to the first one worshipped as an elohim.

Another book not included was the book of Yashar or Yasher which was also referenced within the canonized Scriptures. Other possible books include Jubilees, Macabees 1&2, and the books of the Apocrypha. In all, there is a possibility of around 50 additional books not included in the canonized Scriptures. At the very least, with both the books of Hanok and Yashar being referenced by name and quoted within the canonized Scriptures, those two should have been included. The question is why they were not included, and what did they reveal?

One of the things revealed in the book of Hanock is the reason why the earth was flooded, in order to destroy the Nephilim, which had taken over the Earth. Another possible reason is the revelation of who was the third devil, the very one who deceived even in the garden of eden, and what his actual name was. It was this being who is considered to be the elohim of this world as described by the Scriptures. It is the short version of his name that many call on as being the Father without even knowing it. That common name that is also considered to be a title as a conversion of the word Elohim converted to English as G-d.

We are told in the book of Shemoth – Exodus, where the laws of Yah are declared that we should not make any mention of the names of other mighty ones, to not speak their names.

**Shemoth (Names) – Exodus 23:13** And in all things that I have said unto you be circumspect: and make no mention of the name of other elohim, neither let it be heard out of thy mouth.

This brings me to the point of the Gregorian calendar, and how the names of every single day are named after false mighty ones, causing people to speak the names of or make reference to false mighty ones continually when they reference the days as listed by that calendar. First of all, that calendar was established and ordered to be observed by Pope Gregory the 13<sup>th</sup>. According to Roman Catholicism, this is their mark of authority, that they are above the Scriptures, and the fact that everyone observes their transference of the Sabbath from one day to another is proof of this. They have in such a claim done what the Scriptures have prophesied about in that they think to have changed times and laws.

**Daniel (Judgement of El) 7:25** And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.

**Hazon (Vision) – Revelation 13:11-18** And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the

first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

There is only one religious group or power in the entire world that fits this description, and it is the Roman Catholic Church. It is also by their admission and claims to which fulfills what the Scriptures speak of. This is the great harlot that sits upon many waters, and causes others to drink of her wine, to become her offspring. That wine is her doctrines, teachings, orders and laws. The whole world observes her calendar, which thinks to have changed times and laws.

This “mark” they claim to be their authority and that they are above the Scriptures is the actual attempt to transfer the Sabbath from one day to another. When one tries to find the Sabbath based on the Gregorian calendar, it is impossible. The reason for this is it ignores what the Scriptures teach as its’ Scriptural calendar.

**Bereshith (in the Beginning) – Genesis 1:14** And Elohim said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

Let’s look at how the Sabbath is actually found.

**Yeshayahu (Salvation of Yah) - Isaiah 66:22-23** For as the new heavens and the new earth, which I will make, shall remain before me, saith YHWH, so shall your seed and your name remain. And it shall come to pass, that from one new moon to another, and from one Sabbath to another, shall all flesh come to worship before me, saith YHWH.

This is clearly stating that even after the New Jerusalem has been put in place, this will continue to be observed, as well as how it can be found correctly. From one new moon to another, this establishes the month, and the days for that month. The New Moon Day is neither a work day, or a seventh day Sabbath, but is a set-apart day.

**Yehezqel (Strenght of El) - Ezekiel 46:1** Thus saith the Master YHWH; The gate of the inner court that looketh toward the east shall be shut the six working days; but on the Sabbath it shall be opened, and in the day of the new moon it shall be opened.

The above Scripture points to the fact that the new moon day is a set-apart day, as are all the Feats of YHWH, or appointed times. Let’s keep in mind that the days had no names except those that were set-apart days, all the rest of the days were just numbered days. Now let’s look at an instance that shows where the new moon day actually started the month, as well as being a set-apart day.

**Wayyiqra (and He Called) - Leviticus 23:4-8** These are the feasts of YHWH, even set-apart convocations, which ye shall proclaim in their seasons. In the fourteenth day of the first month at

even is YHWH's passover. And on the fifteenth day of the same month is the feast of unleavened bread unto YHWH: seven days ye must eat unleavened bread. In the first day ye shall have a set-apart convocation: ye shall do no servile work therein. But ye shall offer an offering made by fire unto YHWH seven days: in the seventh day is a set-apart convocation: ye shall do no servile work therein.

**Yohanan (Yah has Favored) John 19:14** And it was the preparation of the passover, and about the sixth hour: and he saith unto the Jews, Behold your King!

**Yohanan (Yah has Favored) John 19:31** The Jews therefore, because it was the preparation, that the bodies should not remain upon the stake on the Sabbath day, (for that Sabbath day was an high day,) besought Pilate that their legs might be broken, and that they might be taken away.

The two sets of Scriptures just shown here clearly state that the Passover was on the 14<sup>th</sup> of Nisan, and the very next day was the 7<sup>th</sup> day Sabbath, which also was the first day of the feast of unleavened bread. Now let's count the days. The 14<sup>th</sup> is Passover, and the 15<sup>th</sup> is the Sabbath. 15 days out does not match six days of work followed by the Sabbath, unless we count the first day of the month as New Moon Day, starting the month. The 14<sup>th</sup> of Nisan, the first month of the year, is always Passover, followed by the Sabbath, and the beginning of the feast of unleavened bread.

There is absolutely no way around this. The month has to start with New Moon Day, which is determined by the moon. The moon has four cycles, just like the month, four weeks, one month. This is the "light in the sky" that determines the months. This is part of the calendar that Yah has put in the sky where no man can mess with it. The sun determines the days, while the moon determines the months, and from that is where we find the days, and count them accordingly to find the appointed times or Feasts of Yahuwah. In all fairness, there are some who claim certain points of seeing the first part of the moon to determine the month can vary. We have to remember that in the days before the advanced technology we have today, they had nothing but what they could see and calculations of when to expect what they could see. To better understand this, please check the studies on my website or the links at the bottom of my website listed at the end of this writing.

When searching the Scriptures to reprove this we can also find that in every month the Sabbath always falls on the 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup> and 29<sup>th</sup> of every month when it is started with New Moon Day. This is where the great deception of the Gregorian calendar hides the truth of where the Sabbath, or any Feast of YHWH or appointed time actually is. This is how the Roman Catholic Church deceives the world into following it's laws, and receiving it's mark of authority. This does not go into full effect until it is forced upon everyone or face death, but it is already there.

Now, this mark has to be some sort of reversal or imitation of what was put in place by YHWH, as the Devil or Satan seeks to steal the worship of Yah by mimicking or imitating Him, but by perverting His truth to become the lie of Satan. Having said that, let's look at what this attempts to replace.

**Shemoth (Names) – Exodus 31:12-17** And YHWH spake unto Moses, saying, Speak thou also unto the children of Israel, saying, Verily my Sabbaths ye shall keep: for it is a sign between me and you throughout your generations; that ye may know that I am YHWH that doth sanctify you. Ye shall keep the Sabbath therefore; for it is set-apart unto you: every one that defileth it shall surely be put to death: for whosoever doeth any work therein, that soul shall be cut off from among his people. Six days may work be done; but in the seventh is the Sabbath of rest, set-

apart to YHWH: whosoever doeth any work in the Sabbath day, he shall surely be put to death. Wherefore the children of Israel shall keep the Sabbath, to observe the Sabbath throughout their generations, for a perpetual covenant. It is a sign between me and the children of Israel for ever: for in six days YHWH made heaven and earth, and on the seventh day he rested, and was refreshed.

We see here twice it is a sign between YHWH and His children to keep the Sabbath. Then later we see Yehezqel – Ezekiel show what happened to them as they were brought out in the exodus from Egypt, and the Sabbath being shown as sign twice there as well.

**Yehezqel (Strenght of El) - Ezekiel 20:10-24** Wherefore I caused them to go forth out of the land of Egypt, and brought them into the wilderness. And I gave them my statutes, and shewed them my judgments, which if a man do, he shall even live in them. Moreover also I gave them my Sabbaths, to be a sign between me and them, that they might know that I am YHWH that sanctify them. But the house of Israel rebelled against me in the wilderness: they walked not in my statutes, and they despised my judgments, which if a man do, he shall even live in them; and my Sabbaths they greatly polluted: then I said, I would pour out my fury upon them in the wilderness, to consume them. But I wrought for my name's sake, that it should not be polluted before the heathen, in whose sight I brought them out. Yet also I lifted up my hand unto them in the wilderness, that I would not bring them into the land which I had given them, flowing with milk and honey, which is the glory of all lands; Because they despised my judgments, and walked not in my statutes, but polluted my Sabbaths: for their heart went after their idols. Nevertheless mine eye spared them from destroying them, neither did I make an end of them in the wilderness. But I said unto their children in the wilderness, Walk ye not in the statutes of your fathers, neither observe their judgments, nor defile yourselves with their idols: I am YHWH your Elohim; walk in my statutes, and keep my judgments, and do them; And hallow my Sabbaths; and they shall be a sign between me and you, that ye may know that I am YHWH your Elohim. Notwithstanding the children rebelled against me: they walked not in my statutes, neither kept my judgments to do them, which if a man do, he shall even live in them; they polluted my Sabbaths: then I said, I would pour out my fury upon them, to accomplish my anger against them in the wilderness. Nevertheless I withdrew mine hand, and wrought for my name's sake, that it should not be polluted in the sight of the heathen, in whose sight I brought them forth. I lifted up mine hand unto them also in the wilderness, that I would scatter them among the heathen, and disperse them through the countries; Because they had not executed my judgments, but had despised my statutes, and had polluted my Sabbaths, and their eyes were after their fathers' idols.

A sign or mark is essentially the same thing. They both signify something, whether it be direction, alliance or otherwise. We now can clearly see that both the sign and mark are in contrast to one another with one belonging to Yahuwah, and the other belonging to the beast (and harlot) of Revelation. We have the Ten Commandments, of which the first three are how we are to act towards the Father, one as our direct connection to the Father, and the last 6 as to how we are to act towards one another. In like manner, the Messiah Yahushua is our direct connection to the Father and he has told us the two great commandments which are the same as listed in the Ten Commandments.

There are only two paths to take, as being the wide path to destruction or the narrow path that few find. They are less likely to find the narrow path if they don't truthfully look for it for themselves. Never put your trust in man, but rather Yah, and the Salvation He has provided for us in Yahushua. Look for yourself, do the homework and research for yourself and reprove what

the Scriptures say. If you do this, it becomes very clear, and the truth sets you free from the dominion of principalities and those in high places out to steal you and your praise of Yahuwah.

There are only two sets of Scriptures that I know of where the Names of the Father and Messiah are restored. Those are The Scriptures, by the Bible Research Institute, and the Halleluyah Scriptures, which takes it even farther to remove pagan names, titles and words for a more pure Scriptures to study with.

If you need any help with your studies, you can find my website Leading Light District at <http://leadinglightdistrict.altervista.org/>, or any of the links at the bottom of my site are a very good resource of studies for those that seek the truth about the Scriptures and share in their studies and are always open to new light being revealed concerning the Scriptures. Remember, not mine or any of these sites are 100% accurate and they can only present the information to which points to the light. It is up to you to study and research for yourself to find the truth and follow after it.

My prayer for you is that you find that narrow path and see things more clearly, for there is no Salvation in any other name.

"And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in." - **Yeshayahu (Salvation of Yah) - Isaiah 58:12**
